

Pacific Studio is a nationally recognized Museum Exhibit Design and Fabrication Company, dedicated to producing unforgettable experiences. We build value, function, and engagement into everything we make. Pacific Studio blends Old World craftsmanship with emerging technologies to produce unparalleled environments. From hand-painted murals to fine woodworking and digital interactives, we set the bar for quality, with the largest in-house team of skilled artisans in the industry. With 100+ skilled technicians, 40,000 square feet of manufacturing space, over 20 years of experience, and the highest standards in design, fabrication, and craftsmanship, we are dedicated to our craft and proud of our impeccable results.

Pacific Studio currently has an incredible opportunity for a **Production Painter** to join our company at our shop in Ballard. The **Production Painter** will work with project teams locally, nationally, and internationally to produce and install high-quality exhibits.

The successful **Production Painter** at Pacific Studio will:

- Prepare different substrates for paint
- Apply skills from a variety of paint techniques (brushing, rolling, and spraying)
- Apply flat finishes to a variety of substrates, including MDF, plywood, hardwoods, fiberglass, urethane, plaster, steel, and aluminum
- Apply faux and decorative finishes
- Operate a spray booth and associated equipment, including maintenance
- Keep project elements and information organized to support meeting deadlines and communicating with other departments
- Be punctual and record time accurately

Minimum Candidate requirements:

- Five to ten years of experience in an art/production/manufacturing painting profession (theater, film, scenic painting, commercial, and/or residential painting)
- Ability to move comfortably between multiple projects within a day's work
- Ability to clearly communicate in English verbally, over the phone, and through email
- Familiarity with a wide variety of paint and art techniques
- Familiarity with the finishing steps for multiple aspects of production work (carpentry, metal fabrication, plastic fabrication, and site installation)
- Basic shop math skills (decimals, fractions, equations)
- Ability to lift and move 50 pounds
- Ability to travel out of town, state, and country for extended periods
- Ability to work nights, weekends, and holidays, as needed
- Must be able to legally work for any employer in the United States of America

How to apply:

If interested in this position, please e-mail your resume to [careers@pacificstudio.com](mailto:careers@pacificstudio.com)
